

Mr Watana Muangsook
Minister of Commerce
Kingdom of Thailand

Dear Minister Watana

I refer to the signing on this date of the Thailand Australia Free Trade Agreement (hereinafter “the Agreement”) and the discussions during the negotiation of the Agreement in relation to the administration of tariff rate quotas (TRQs).

I wish to propose that:

Thailand shall administer the TRQs set out in the Attachment to Annex 2 in a way that is transparent, timely, responsive to market conditions and minimally burdensome to trade;

In line with Article 203 (4), and consistent with the objectives of the Agreement, Thailand and Australia shall cooperate with a view to developing shared understandings on procedures for the administration of TRQs and their implementation. Such cooperation shall take place in a subsidiary body to be established under the FTA Joint Commission to discuss all relevant issues; and

At the request of either Party, Australia and Thailand shall enter into consultations by mutual consent on any matter regarding the administration of TRQs;

If the above proposals are acceptable to Thailand, then I propose that this letter and your confirmatory reply shall constitute an integral part of the Agreement.

Yours sincerely,

MARK VAILE

The Hon Mark Vaile MP
